Test Summary Report
(Thirsty Wine)

Product Name	**Thirsty Wine**
Product Description	The **Thirsty Wine** Project is an online platform that allows users to explore, purchase, and learn about various wines. The website features an easy-to-navigate interface, with categories for different wine types such as red, white, and sparkling. Each product page provides detailed descriptions, including wine type, region, flavor profile, and pricing. Users can add wines to their cart, view their order history, and track deliveries through their personal accounts.You should login using the default administrator account : ● User Name : admin ● Password : admin
Project Description	<Mission of Project> We conducted Testing to verify the Quality of the entire Thirsty Wine website functionality Project Output ● Test Summary Report ● Bug/Defect Report
